

TROPICAL JUNGLE

FILENAME	DESCRIPTION
AMBTrop_CLOUDFOREST-Pre Dawn Breeze_B00M_3DS13_2.0.wav	Pre dawn breeze in a cloud forest. Distant insects, falling tree debris, and subtle bird calls at times.
AMBTrop_CLOUDFOREST-Pre Dawn Breeze Birds_B00M_3DS13_2.0.wav	Pre dawn breeze in a cloud forest with birds beginning to call. Distant insects and falling tree debris at times. Barred Forest Falcon.
AMBTrop_CLOUDFOREST-Pre Dawn Birds_B00M_3DS13_2.0.wav	Pre dawn in a cloud forest with birds beginning to call, close at times. Falling tree debris at times. Light breeze and chirping insects throughout. Barred Forest Falcon; Crested Guan; Black faced Solitaire.
AMBTrop_CLOUDFOREST-Dawn Birds Active_B00M_3DS13_2.0.wav	Dawn birds in cloud forest. Light breeze and chirping insects throughout. Bird activity close at times. Falling tree debris heard occasionally. Northern Emerald Toucanet; Barred Forest Falcon; Gray breasted Wood Wren; Spotted Woodcreeper.
AMBTrop_CLOUDFOREST-Dawn Birds Breeze_B00M_3DS13_2.0.wav	Birds call and sing at dawn in a cloud forest with a light consistent breeze. Chirping insects throughout. Bird activity close at times. Falling tree debris heard occasionally. Rufous tailed Jacamar; Black faced Solitaire; Scale crested Pygmy Tyrant.
AMBTrop_CLOUDFOREST-Dawn Birds Spacious_B00M_3DS13_2.0.wav	Birds call and sing at dawn in a cloud forest with a calm distant breeze. Chirping insects throughout. Bird and insect activity close at times. Falling tree debris heard occasionally. Common Chlorospingus; White breasted Wood Wren; Prong billed Barbet.
AMBTrop_CLOUDFOREST-Dawn Birds Diverse_B00M_3DS13_2.0.wav	Diverse birds call and sing at dawn in cloud forest with calm distant breeze. Chirping insects throughout. Some tree debris. Common Chlorospingus; Black faced Solitaire; Crested Guan; White throated Spadebill; Gray breasted Wood Wren; Tanager.
AMBTrop_CLOUDFOREST-Dawn Birds Diverse Breeze_B00M_3DS13_2.0.wav	A diverse set of birds call and sing at dawn in a cloud forest with a leafy breeze. Chirping insects throughout. Bird activity close at times. Falling tree debris heard occasionally. Gray breasted Wood Wren; Common Chlorospingus; Rufous tailed Jacamar.
AMBTrop_CLOUDFOREST-Dawn Birds Calm_B00M_3DS13_2.0.wav	Calm, diverse birdsong in cloud forest at dawn. Distant breeze, flowing water, chirping insects throughout. Bird activity close at times. Falling tree debris heard occasionally. Gray breasted Wood Wren; Black faced Solitaire; Crested Guan; Plain Antvireo.
AMBTrop_CLOUDFOREST-Dawn Birds Calm Breeze_B00M_3DS13_2.0.wav	Spacious and diverse birdsong in cloud forest at dawn with consistent calm breeze. Distant flowing water and chirping insects throughout. Bird activity close at times. Falling tree debris heard occasionally. Black faced Solitaire; Gray breasted Wood Wren.
AMBTrop_CLOUDFOREST-Pre Dawn Breeze Insects Frogs_B00M_3DS13_2.0.wav	Frogs and chirping insects heard at pre dawn in a cloud forest with a distant breeze. Falling tree debris heard occasionally. Barred Forest Falcon.
AMBTrop_CLOUDFOREST-Light Wind_B00M_3DS13_2.0.wav	A light to moderate wind sweeps through the canopy of a cloud forest with chirping insects and birds calling. Falling tree debris and close bird activity heard at times. Scale crested Pygmy Tyrant; Gray breasted Wood Wren; Prong billed Barbet.
AMBTrop_CLOUDFOREST-Birds Wind Variable_B00M_3DS13_2.0.wav	A moderate and varying wind sweeps through the canopy of a cloud forest with chirping insects and birds calling. Falling tree debris heard at times. Close bird squawks at end.
AMBTrop_CLOUDFOREST-Wind_B00M_3DS13_2.0.wav	A moderate to strong wind builds and sweeps through a cloud forest as birds call and insects chirp. Falling tree debris and close bird activity heard at times.
AMBTrop_CLOUDFOREST-Bird Activity Close_B00M_3DS13_2.0.wav	Close bird activity in a cloud forest with a distant light breeze. Insects chirp throughout. Falling tree debris heard at times. Zeledon's Antbird, Gray breasted Wood Wren.
AMBTrop_CLOUDFOREST-Wind Moderate_B00M_3DS13_2.0.wav	A moderately strong and varying wind sweeps through a cloud forest as birds call and insects chirp. Falling tree debris and flying insects heard at times.
AMBTrop_JUNGLE-Dawn Birds Calm_B00M_3DS13_2.0.wav	Birds call in lowland tropical jungle during calm dawn. Chirping, flying insects throughout. Some tree debris. Short billed Pigeon; Chestnut backed Antbird; Red lored Parrot; Other Parrots (maybe Mealy); Black faced Antthrush; Scarlet Macaw; Hummingbirds.

TROPICAL JUNGLE

FILENAME	DESCRIPTION
AMBTrop_JUNGLE-Dawn Birds Spacious_B00M_3DS13_2.0.wav	Multiple birds call and sing in lowland tropical jungle during dawn. Chirping, flying insects throughout. Some tree debris, close bird activity. Scarlet Macaw; Little Tinamou; Red billed Pigeon; Chestnut backed Antbird; Yellow throated Toucan.
AMBTrop_JUNGLE-Birds Active Close_B00M_3DS13_2.0.wav	Multiple birds actively call and sing in lowland tropical forest. Chirping and flying insects heard throughout. Falling tree debris and close bird activity heard at times. Scarlet Macaw; Red lored Parrot; Black faced Antthrush; Black hooded Antshrike.
AMBTrop_JUNGLE-Birds Close Insects_B00M_3DS13_2.0.wav	Multiple birds actively call and sing closely in lowland tropical forest with prominent chirping and flying insects. Some tree debris. Scarlet Macaws heard prominently. Laughing Falcon; Scarlet Macaw; Yellow throated Toucan; Red lored Parrot.
AMBTrop_JUNGLE-Birds Close Duet_B00M_3DS13_2.0.wav	Two Laughing Falcons "duet" in a tree canopy in a lowland tropical jungle. Chirping and flying insects heard throughout. Falling tree debris and large distant flying insects heard at times. Laughing Falcon; Yellow throated Toucan.
AMBTrop_JUNGLE-Birds Toucans Insects_B00M_3DS13_2.0.wav	Toucans call from the tree canopy in a lowland tropical jungle. Chirping and flying insects heard throughout. Tree debris heard falling at times. Yellow throated Toucan.
AMBTrop_JUNGLE-Birds Diverse_B00M_3DS13_2.0.wav	A diverse set of birds heard calling and signing in a tropical lowland forest during a calm morning. Chirping and flying insects heard throughout. Tree debris falling and close bird activity at times. Yellow throated Toucan; Crested Guan; Roadside Hawk.
AMBTrop_JUNGLE-Flying Insects Birds_B00M_3DS13_2.0.wav	Flying insects heard buzzing in a lowland tropical jungle. Chirping insects and birds heard calling and singing throughout. Tree debris heard falling at times.
AMBTrop_JUNGLE-Flying Insects Gentle Breeze_B00M_3DS13_2.0.wav	Flying insects heard buzzing in a lowland tropical jungle with a gentle breeze. Chirping insects and birds heard calling and singing throughout. Tree debris heard falling at times.
AMBTrop_JUNGLE-Howler Monkey Close V1_B00M_3DS13_2.0.wav	Howler monkeys heard croaking and vocalizing at various distances at dawn in a lowland tropical jungle. Chirping insects heard throughout. Tree debris heard falling at times. Crested Guan; Owl.
AMBTrop_JUNGLE-Howler Monkey Close V2_B00M_3DS13_2.0.wav	Howler monkeys heard croaking and vocalizing at various distances at dawn in a lowland tropical jungle. Birds beginning to call and sing. Chirping insects heard throughout. Tree debris heard falling at times. Crested Guan, Owl.
AMBTrop_JUNGLE-Howler Monkeys Dawn Birds_B00M_3DS13_2.0.wav	Howler monkeys croaking and vocalizing at various distances at dawn in lowland tropical jungle. Various birds call, sing vibrantly. Insects throughout. Parrots; Black hooded Antshrike; Chestnut backed Antbird; Little Tinamou; Great Kiskadee; Scarlet Macaw.
AMBTrop_JUNGLE-Dawn Birds Howler Monkeys Distant_B00M_3DS13_2.0.wav	Distant howler monkeys heard eerily calling as birds call and sing. Chirping and flying insects heard throughout. Tree debris heard falling at times. Little Tinamou; Red lored Parrot; Crested Guan.
AMBTrop_AMAZON-Pre Dawn Drips Heavy_B00M_3DS13_2.0.wav	Pre dawn in the Amazon jungle as heavy drops of water fall from the canopy and hit broad leafed plants. Chirping insects and birds calling heard throughout. Tropical Screech Owl.
AMBTrop_AMAZON-Pre Dawn Drips_B00M_3DS13_2.0.wav	Pre dawn in the Amazon jungle as light drops of water fall from the canopy and hit broad leafed plants. Chirping insects and birds calling heard throughout. Ferruginous Pygmy Owl.
AMBTrop_AMAZON-Dawn Birds_B00M_3DS13_2.0.wav	Dawn chorus in Amazon jungle. Diverse birds call and sing at various distances. Insects chirp throughout. Some flying insects and tree debris. Ferruginous Pygmy Owl; Tinamou (poss Undulated); Rufous Motmot; Gilded Barbet; Trogon; Woodcreeper.
AMBTrop_AMAZON-Dawn Birds Insects Active_B00M_3DS13_2.0.wav	Birds at dawn in the Amazon jungle with loud piercing insects. Flying insects, tree debris falling, and drops falling from the canopy heard at times. White throated Toucan; Undulated Tinamou; Blue and Yellow Macaw; Motmot.
AMBTrop_AMAZON-Dawn Birds Insects Spacious_B00M_3DS13_2.0.wav	Birds call and sing spacioously at dawn in the Amazon jungle with insects very present. Flying insects and tree debris falling heard at times. White throated Toucan; Gray fronted Dove; Undulated Tinamou; Thrush like Wren.

TROPICAL JUNGLE

FILENAME	DESCRIPTION
AMBTrop_AMAZON-Dawn Howler Monkeys Distant_B00M_3DS13_2.0.wav	Distant howler monkeys eerily vocalizing, birds begin at dawn in Amazon jungle. Water drops hit broad leaves. Chirping, flying insects throughout. Tree debris heard falling at times. Thrush like Wren; Undulated Tinamou; Pigeon; Spix's Guan (wing sonation).
AMBTrop_AMAZON-Dawn Birds Howler Monkeys_B00M_3DS13_2.0.wav	Howler monkeys vocalizing at moderate distance, birds call at dawn in Amazon jungle. Water drops hit leaves. Insects throughout. Tree debris heard falling at times. Spix's Guan; Undulated Tinamou, Thrush like Wren; White throated Toucan; Gray fronted Dove.
AMBTrop_AMAZON-Active Dawn Howler Monkeys_B00M_3DS13_2.0.wav	Howler monkeys eerily vocalizing at moderate distance, birds actively call and sing at dawn in Amazon jungle. Water drops from canopy hit broad leaf plants. Chirping, flying insects throughout. Tree debris falling. Undulated Tinamou; Gray fronted Dove.
AMBTrop_AMAZON-Dawn Birds Spacious_B00M_3DS13_2.0.wav	Birds actively and spaciouly call and sing at dawn in Amazon jungle. Water drops from canopy hit broad leaf plants. Chirping and flying insects throughout. Tree debris heard falling at times. White throated Toucan; Undulated Tinamou; Gilded Barbet.
AMBTrop_AMAZON-Morning Birds Vibrant Insects_B00M_3DS13_2.0.wav	Birds call and sing vibrantly during morning in Amazon jungle. Water drops occasionally hit plants. Chirping, flying insects throughout. Tree debris falling at times. Motmot; Trogon; Undulated Tinamou; Gray fronted Dove; Parrot flyover; Gilded Barbet.
AMBTrop_AMAZON-Morning Birds Breeze_B00M_3DS13_2.0.wav	Birds call and sing in the morning in Amazon jungle, light breeze shakes leaves in canopy. Water drops from occasionally hit broad leaf plants. Chirping, flying insects throughout. Tree debris heard falling at times. Motmot; Trogon; Gilded Barbet.
AMBTrop_AMAZON-Large Bird Activity_B00M_3DS13_2.0.wav	A large bird approaches, calls, and wades into a wetland in the Amazon Jungle. Birds and insects active throughout. Tree debris heard falling at times. The bird heard is most likely a Guan or a Curassow. Trogon; Motmot; Parakeets; Pygmy Antwren; Macaw.
AMBTrop_AMAZON-Morning Birds Calm_B00M_3DS13_2.0.wav	Birds call and sing during a calm morning in the Amazon jungle. Bird activity close at times. Insects heard throughout. Falling tree debris heard at times. Motmot; Trogon; Thrush like Wren; Gilded Barbet; Great Kiskadee.
AMBTrop_AMAZON-Frogs Insects Close V1_B00M_3DS13_2.0.wav	Frogs chirp, croak, and hop in a dense forest wetland in the Amazon jungle. Insects chirping and flying throughout. Tree debris heard falling at times.
AMBTrop_AMAZON-Frogs Insects Close V2_B00M_3DS13_2.0.wav	Frogs chirp, croak, and hop in a dense forest wetland in the Amazon jungle. Frog activity more distant than V1. Insects chirping and flying throughout. Tree debris heard falling at times. Owl.
AMBTrop_AMAZON-Frogs Insects Birds Moderate_B00M_3DS13_2.0.wav	Frogs chirp and croak distantly in a dense forest wetland in the Amazon jungle. Insects chirping and flying throughout. Tree debris falling and birds calling closely at times. Tropical Screech Owl; Rufescent Tiger Heron.
AMBTrop_AMAZON-Racous Birds Close Insects_B00M_3DS13_2.0.wav	Crested Guans call from a nearby tree in the Amazon jungle. Insects chirping and flying throughout. Tree debris falling and other birds calling at times. Speckled Chacalaca; Olive Oropendula.
AMBTrop_AMAZON-Pre Dawn Insects Frogs_B00M_3DS13_2.0.wav	Frogs and chirping insects heard at pre dawn in the Amazon jungle. Falling tree debris and birds heard occasionally. Crested Owl.
AMBTrop_AMAZON-Pre Dawn Calm_B00M_3DS13_2.0.wav	Pre dawn calm in the Amazon jungle. Frogs, insects, and nocturnal birds heard throughout. Tree debris and drops of water hitting the jungle floor heard at times. Crested Owl; Tropical Screech Owl.
AMBTrop_AMAZON-Dawn Calm_B00M_3DS13_2.0.wav	Dawn calm in the Amazon jungle. Frogs, insects, and birds heard throughout. Bird activity close at times. Distant Howler Monkeys and tree debris heard falling at times. Tropical Screech Owl; Spectacled Owl.
AMBTrop_CLOUDFOREST-Morning Birds Calm_B00M_3DS13_2.0.wav	A calm morning in the cloud forest with bird activity at various distances. Slight distant breeze and distant insects throughout. Flying insects and tree debris falling heard at times. Crested Guan; Jacamar; Short billed Pigeo; Black faced Solitaire.
AMBTrop_CLOUDFOREST-Morning Birds Wind Moderate_B00M_3DS13_2.0.wav	A windy morning in the cloud forest with bird activity at various distances. Moderate to strong wind and chirping insects throughout. Flying insects and tree debris falling heard at times. Black faced Solitaire; Great tailed Grackle; Dusky Antbird.

TROPICAL JUNGLE

FILENAME	DESCRIPTION
AMBTrop_CLOUDFOREST-Morning Birds Wind Gusts_B00M_3DS13_2.0.wav	Various wind gusts in cloud forest at morning with pleasant insects chirping, birds calling and singing at various distances throughout. Bird activity close at times. Flying insects and tree debris falling. Black faced Solitaire; Hummingbirds.
AMBTrop_CLOUDFOREST-Morning Insects Birds Breeze_B00M_3DS13_2.0.wav	A breezy morning in the cloud forest with prominent bird activity throughout. Breeze is occasionally strong. Flying insects and tree debris falling heard at times. Scale crested Pygmy Tyrant; Gray breasted Wood Wren.
AMBTrop_CLOUDFOREST-Afternoon Calm Breeze_B00M_3DS13_2.0.wav	A breezy afternoon in the cloud forest with light bird activity throughout. Breeze is occasionally strong. Flying insects and tree debris falling heard at times.
AMBTrop_CLOUDFOREST-Afternoon Wind Variable_B00M_3DS13_2.0.wav	A varying and sometimes strong wind sweeps through the canopy of the cloud forest in the afternoon. Insects heard chirping and tree debris falling throughout. Wood Wren.
AMBTrop_CLOUDFOREST-Afternoon Insects Breeze Birds_B00M_3DS13_2.0.wav	Insects and birds heard in a cloud forest in the afternoon with a distant deep toned breeze. Flying insects and tree debris falling heard at times.
AMBTrop_JUNGLE-Pollinating Hummingbirds Insects_B00M_3DS13_2.0.wav	Hummingbirds and insects heard pollinating a large flowering tree in a lowland tropical jungle. Light breeze and tree debris falling heard at times. Short billed Pigeon; Scarlet Macaw; Bananaquit; Hummingbirds.
AMBTrop_JUNGLE-Pollinating Insects Birds_B00M_3DS13_2.0.wav	Hummingbirds and insects heard pollinating a large flowering tree in a lowland tropical jungle with birds chirping at a moderate distance. Flying insects close at times. Light breeze and tree debris falling heard at times. Riverside Wren; Hummingbirds.
AMBTrop_JUNGLE-Afternoon Insects Close_B00M_3DS13_2.0.wav	Flying insects heard closely with cicadas and other chirping insects in a lowland tropical jungle in the afternoon. Birds heard chirping at various distances and tree debris falling occasionally.
AMBTrop_JUNGLE-Afternoon Insects Birds Breeze_B00M_3DS13_2.0.wav	Birds call and sing as insects chirp and fly during the afternoon in a lowland tropical forest with a light airy breeze. Tree debris heard falling prominently throughout. Yellow throated Toucan; Short billed Pigeon.
AMBTrop_JUNGLE-Afternoon Breeze Leaf Fall_B00M_3DS13_2.0.wav	An afternoon breeze sweeps through a lowland tropical jungle causing dry leaves to fall of trees and hit the jungle floor. Bird calls, flying insects, and distant chirping insects present throughout. Short billed Pigeon; Yellow throated Toucan.
AMBTrop_JUNGLE-Afternoon Calm Flying Insects Birds_B00M_3DS13_2.0.wav	A calm afternoon in a lowland tropical jungle. Sparse bird calls, flying and chirping insects, and leaf litter falling to the ground present throughout. Short billed Pigeon.
AMBTrop_JUNGLE-Afternoon Calm Insects Debris_B00M_3DS13_2.0.wav	A calm afternoon breeze shakes the tree canopy in a lowland tropical jungle with flying insects droning at times. Sparse bird calls, chirping insects, and leaf litter falling to the ground present throughout.
AMBTrop_JUNGLE-Afternoon Scarlet Macaws Close_B00M_3DS13_2.0.wav	Scarlet Macaws squawk and call in a lowland tropical jungle during a breezy afternoon. Other birds present at times along with chirping and flying insects. Tree debris heard falling at times. Scarlet Macaw; Short billed Pigeon; Yellow throated Toucan.
AMBTrop_JUNGLE-Afternoon Calm Birds_B00M_3DS13_2.0.wav	Calm afternoon in a lowland tropical jungle with various birds calling and singing at various distances. Slight breeze and tree debris falling at times. Yellow throated Toucan; Short billed Pigeon.
AMBTrop_JUNGLE-Howler Monkeys Distant Breeze_B00M_3DS13_2.0.wav	Distant Howler Monkeys call during afternoon in a lowland tropical jungle with a light directional breeze. Distant insects chirping and bird calls throughout. Tree debris heard falling at times. Scarlet Macaw.
AMBTrop_JUNGLE-Afternoon Calm Insects Birds_B00M_3DS13_2.0.wav	A still and calm afternoon in a lowland tropical jungle with pleasant insects chirping and bird activity at moderate distances. Tree debris heard falling at times. Short billed Pigeon.
AMBTrop_JUNGLE-Toucans Close_B00M_3DS13_2.0.wav	Toucans call closely from canopy in lowland tropical jungle. Chirping, flying insects throughout. Other bird species calling and tree debris heard falling at times. Yellow throated Toucan; Short billed Pigeon; Red capped Manakin (wing sonation).

TROPICAL JUNGLE

FILENAME	DESCRIPTION
AMBTrop_JUNGLE-Afternoon Calm_B00M_3DS13_2.0.wav	A calm, quiet, and still afternoon in a lowland tropical jungle. Chirping and flying insects present throughout. Tree debris heard falling at times. Short billed Pigeon.
AMBTrop_JUNGLE-Afternoon Leaf Litter Falling_B00M_3DS13_2.0.wav	Leaf litter calmly falls from the tree canopy during a light breeze in a lowland tropical jungle. Birds distantly calling at times. Chirping and flying insects throughout. Short billed Pigeon.
AMBTrop_JUNGLE-Leaf Litter Falling Birds_B00M_3DS13_2.0.wav	Leaf litter falls from the tree canopy during a light breeze in a lowland tropical jungle as birds call and sing at various distances. Lots of leaf detail. Chirping and flying insects throughout. Yellow throated Toucan; Short billed Pigeon.
AMBTrop_AMAZON-Afternoon Calm Flying Insects_B00M_3DS13_2.0.wav	Calm afternoon with a light varying breeze in the Amazon jungle with flying and chirping insects present throughout. Birds calling and singing and tree debris falling at times.
AMBTrop_AMAZON-Afternoon Calm Birds Frogs_B00M_3DS13_2.0.wav	Frogs chirp and birds call during a calm afternoon in the Amazon jungle. Light leafy breeze occasionally. Tree debris falling at times. Plumbeous Pigeon.
AMBTrop_AMAZON-Afternoon Birds Frogs Insects_B00M_3DS13_2.0.wav	Afternoon in the Amazon jungle with frogs and insects chirping, flying insects, and birds calling and singing at various distances throughout. Light breeze and tree debris falling at times. Plumbeous Pigeon.
AMBTrop_AMAZON-Afternoon Insects Birds_B00M_3DS13_2.0.wav	High pitch insects chirping and flying insects buzzing in the afternoon in the Amazon jungle. Birds calling at moderate distances throughout. Tree debris falling at times. Plumbeous Pigeon; Macaw.
AMBTrop_AMAZON-Afternoon Birds Insects Breeze_B00M_3DS13_2.0.wav	A breezy but calm afternoon in the Amazon jungle with chirping and flying insects and birds calling and singing. Tree debris falling at times. Tinamou; Amazonian Motmot; White throated Toucan.
AMBTrop_AMAZON-Afternoon Birds Insects Breeze Consistent_B00M_3DS13_2.0.wav	A consistently breezy afternoon in the Amazon jungle with chirping and flying insects and birds calling and singing throughout. Tree debris falling pretty consistently throughout. Amazonian Motmot; Undulated Tinamou; Parakeets.
AMBTrop_JUNGLE-Wind Consistent Birds Insects_B00M_3DS13_2.0.wav	Consistent, light wind through tree canopy in lowland tropical jungle, branches lightly clacking and knocking into each other. Bird activity and insects throughout, birds flying overhead. Yellow throated Toucan; flock parrots; Black faced Antthrush.
AMBTrop_JUNGLE-Wind Moderate Birds Insects_B00M_3DS13_2.0.wav	A moderate and varying wind sweeps through the canopy in a lowland tropical jungle. Bird activity and insects present throughout. Tree debris heard falling at times. Parrots.
AMBTrop_JUNGLE-Dusk Onset Birds Insects Frogs_B00M_3DS13_2.0.wav	Dusk begins with vibrant and diverse bird activity, distant frogs chirping, along with insects. Light breeze shakes leaves in tree canopy. Bird activity and frogs close at times. Tree debris falling heard at times. Yellow throated Toucan.
AMBTrop_JUNGLE-Dusk Insects Birds Frogs_B00M_3DS13_2.0.wav	A light and calming breeze sweeps through the canopy at dusk in a lowland tropical jungle featuring layers of chirping insects and occasional frogs and birds. Tree debris heard falling at times. Laughing Falcon.
AMBTrop_JUNGLE-Dusk Insects Frogs_B00M_3DS13_2.0.wav	A light and calming breeze sweeps through the canopy at dusk in a lowland tropical jungle featuring layers of chirping insects and frogs at various distances. Tree debris heard falling at times. .
AMBTrop_JUNGLE-Dusk Breeze Insects Frogs_B00M_3DS13_2.0.wav	A deep toned but calming breeze gently sweeps through the canopy at dusk in a lowland tropical jungle featuring layers of chirping insects and frogs at various distances. Tree debris heard falling at times. .
AMBTrop_JUNGLE-Dusk Breeze Consistent Insect Frogs_B00M_3DS13_2.0.wav	A subtle and consistent breeze gently sweeps through the canopy at dusk in a lowland tropical jungle featuring layers of chirping insects and frogs at various distances. Large birds heard flying overhead at times. Tree debris heard falling at times. .
AMBTrop_JUNGLE-Dusk Calm_B00M_3DS13_2.0.wav	A calm and still dusk in the lowland tropical jungle with layers of chirping insects and frogs. Tree debris heard falling at times.

TROPICAL JUNGLE

FILENAME	DESCRIPTION
AMBTrop_JUNGLE-Dusk Monkeys Birds Insects_B00M_3DS13_2.0.wav	Dusk begins in a coastal tropical jungle. Howler Monkeys heard calling as birds call and insects chirp. Distant waves heard in background throughout. Tree debris falling at times. Yellow throated Toucan; Macaw; Parrots.
AMBTrop_COASTALJUNGLE-Afternoon Activity_B00M_3DS13_2.0.wav	Afternoon bird, insect, and monkey activity in a coastal tropical jungle. Distant waves heard in background throughout. Close bird activity and tree debris falling at times. Yellow throated Toucan; Scarlet Macaw; Tinamou.
AMBTrop_COASTALJUNGLE-Dusk Insects_B00M_3DS13_2.0.wav	Insects vibrantly chirp at dusk in a coastal tropical jungle. Birds calling and monkeys moving in trees and distant waves heard throughout. Tree debris falling at times. Scarlet Macaw; Great Tinamou.
AMBTrop_COASTALJUNGLE-Afternoon Calm_B00M_3DS13_2.0.wav	Calm afternoon in a coastal tropical jungle. Distant birds heard calling and monkey activity at times. Distant insects chirping and moderately distant waves heard throughout. Tree debris heard falling at times. Streak chested Antpitta.
AMBTrop_COASTALJUNGLE-Distant Insects_B00M_3DS13_2.0.wav	Distant insects chirp in a coastal tropical jungle. Waves heard at a moderate distance. Tree debris falling and distant birds calling consistently throughout, monkey activity at times.
AMBTrop_COASTALJUNGLE-Insect Rodent Foraging_B00M_3DS13_2.0.wav	A rodent forages for food as insects chirp in a coastal tropical jungle. Large waves heard distantly throughout. Tree debris heard falling and sparse bird calls at times.
AMBTrop_CLOUDFOREST-Night Light Breeze_B00M_3DS13_2.0.wav	A light breeze blows through a cloud forest at night. Insects and frogs chirp vibrantly throughout. Tree debris heard falling at times.
AMBTrop_CLOUDFOREST-Night Moderate Breeze_B00M_3DS13_2.0.wav	A moderate but mostly consistent breeze sweeps through the tree canopy in a cloud forest at night. Insects and frogs chirp vibrantly throughout. Tree debris heard falling at times.
AMBTrop_CLOUDFOREST-Night Wind Varying_B00M_3DS13_2.0.wav	A moderate and varying wind sweeps through the tree canopy in a cloud forest at night. Insects and frogs chirp vibrantly throughout. Tree debris heard falling and occasional bird wing flaps at times.
AMBTrop_CLOUDFOREST-Night Frogs Insects Close_B00M_3DS13_2.0.wav	Frogs and insects chirp vibrantly in a cloud forest at night. Pleasant and consistent breeze heard throughout. Tree debris heard falling at times.
AMBTrop_CLOUDFOREST-Night Insects Frogs Wind Consistent_B00M_3DS13_2.0.wav	Frogs and insects chirp vibrantly in a cloud forest at night with a consistent wind blowing through the canopy. Tree debris heard falling at times.
AMBTrop_CLOUDFOREST-Night Moderate Wind Drips_B00M_3DS13_2.0.wav	Light drops of water fall from the tree canopy in a cloud forest at night with a moderate and varying wind. Chirping insects and frogs at a moderate distance throughout. Falling tree debris at times.
AMBTrop_CLOUDFOREST-Night Frogs Wind Gusts Drips_B00M_3DS13_2.0.wav	Light but consistent drops of water fall from the tree canopy in a cloud forest at night with moderate gusts of wind blowing through the canopy. Chirping insects and frogs at a moderate distance throughout. Falling tree debris at times.
AMBTrop_CLOUDFOREST-Night Frogs Close Breeze Drips_B00M_3DS13_2.0.wav	Light but consistent drops of water fall from the tree canopy in a cloud forest at night with a calm breeze blowing through the canopy. Chirping insects at a distance and frogs heard closely throughout. Falling tree debris at times.
AMBTrop_JUNGLE-Tree Frog Chorus Creek_B00M_3DS13_2.0.wav	Tree frogs croak and chirp in a lowland tropical forest creek. Flowing water heard throughout. Falling tree debris at times.
AMBTrop_JUNGLE-Tree Frog Chorus Close Creek_B00M_3DS13_2.0.wav	Tree frogs croak and chirp closely in a lowland tropical forest creek. Flowing water heard trickling prominently throughout. Falling tree debris at times.
AMBTrop_AMAZON-Night Frogs Insects Calm_B00M_3DS13_2.0.wav	Frogs and insects chirp and croak vibrantly during a calm night in the Amazon jungle. Falling tree debris at times.

TROPICAL JUNGLE

FILENAME	DESCRIPTION
AMBTrop_AMAZON-Night Frogs Insects Vibrant_B00M_3DS13_2.0.wav	Frogs and insects chirp and croak densely and vibrantly at night in the Amazon jungle. Falling tree debris at times.
AMBTrop_AMAZON-Night Frogs Insects Distant Breeze_B00M_3DS13_2.0.wav	Frogs and insects chirp and croak densely and vibrantly at night in the Amazon jungle with a distant breeze. Falling tree debris and occasional nocturnal bird activity at times.
AMBTrop_AMAZON-Night Wetlands_B00M_3DS13_2.0.wav	Insects and frogs chirp during a calm night in a wetland in the Amazon jungle. Falling tree debris and occasional nocturnal bird activity at times. Tawny bellied Screech Owl.
AMBTrop_AMAZON-Night Wetlands Insects Vibrant_B00M_3DS13_2.0.wav	Insects and frogs chirp densely and vibrantly at night in a wetland in the Amazon jungle. Falling tree debris and occasional nocturnal bird activity at times. Tawny Bellied Screech Owl.
AMBTrop_AMAZON-Night Insects Frogs_B00M_3DS13_2.0.wav	Light to moderate rain falls in the Amazon jungle as insects and frogs chirp vibrantly. Rain in canopy is light, but resulting drops falling from canopy are a bit larger and hit broad leaf plants.
AMBTrop_AMAZON-Rain Moderate Night Insects Frogs_B00M_3DS13_2.0.wav	A medium intensity rain falls in the Amazon jungle as insects and frogs chirp at a moderate distance. Rain heard hitting broadleaf plants in close detail throughout.
AMBTrop_CLOUDFOREST-Rain Drops Aftermath_B00M_3DS13_2.0.wav	Aftermath of a rainstorm in a cloud forest. Drops continue to fall from canopy and hit the forest floor with a moderate and varying breeze throughout. Very distant light insect activity.
AMBTrop_CLOUDFOREST-Rain Heavy Onset_B00M_3DS13_2.0.wav	A moderate rain turns heavy in a cloud forest. Insects and frogs chirping and distant birds calling throughout. Rain drops close and detailed at times.
AMBTrop_CLOUDFOREST-Rain Subsiding Birds_B00M_3DS13_2.0.wav	Rain gradually subsiding in cloud forest with some birds calling. Light to moderate wind throughout causing rain drops from canopy to increase in intensity. Close, detailed rain drops hitting large leaves on forest floor at times. Black faced Solitaire.
AMBTrop_CLOUDFOREST-Rain Aftermath Wind Birds_B00M_3DS13_2.0.wav	Aftermath of a rainstorm in a cloud forest with occasional bird calls and distant chirping insects and frogs. Drops continue to fall from canopy and hit the forest floor with a moderate and varying breeze throughout.
